

# Application Guide

## Lockout Tag Application Guide

### 1: What type of tag do you need?

Choose your style tag that fits your lock-out needs.  
All Tags are OSHA compliant.

Heavy-Duty Tag

Lockout Tag

Self-Fastening Tag

Photo Tag

2-Part Cardstock Tag

Mini Tags

Warning/Key Tag

Padlock Tag

### 2: Tag features and description

	Plastic	Cardstock	Calendar Vinyl	Weatherproof	Dirty Environments	Metal Grommet	Lifetime Guarantee	Benefit
Heavy-Duty Tag	■			■	■	■	■	The most indestructible tag available, equipped with 80 lbs. pull strength, designed to last with a lifetime guarantee
Lockout Tag	■			■	■	■		Equipped with 50 lbs. pull force and durable brass grommet, this tag will help you comply with general lockout requirements
Self-Fastening Tag			■	■				Ideal for wrapping around larger objects or machinery for a secure fit
Photo Lockout Tag			■	■	■	■		Features a personalized photo of employee for easy recognition, prevents the dangers of miscommunication and lock-out
2-Part Cardstock Tag		■						Best for record or status keeping with a perforated bottom portion for easy tear
Mini Tags	■			■	■	■		Ideal for space-constrained applications
Warning/Key Tag		■						Easily match up your lock and key on the same tag to prevent misplacement and lost items
Padlock Tag			■	■		■		Provides the most durable point of attachment over lock for optimal security and protection
